While looking around on Facebook at funny dog and cat videos, take a quick moment to stop by the **IRE FACEBOOK PAGE!**

You can find us by typing the following in the Facebook search bar: Indian River Estates HOA. Once you arrive, be sure to 'like' the page so you can receive notifications of important items going on in the community.

We encourage everyone to share community news, events, missing pets, garage sales, etc. Be careful to only post information you want available to the public.

We are looking to have increased neighborhood participation not only in HOA meetings, but also online. The more we positively communicate with each other, the more we can positively impact the community. See you at the meetings and online!
